

Poem

Enough?

How are you doing? How's it going?
Are yer still learning? Making progress?
Maybe you are just starting, just at the beginning,
Finding your way...

Maybe... ...maybe you have seen it all before,
You know... ...the new black is just the old black,
But with a new name?

Maybe, you are at that point
Where you have already forgotten more
Than you could ever learn... ...from now on?
Looking ahead... ...just to see when you can... ...stop.

Maybe you are sitting there with a wry smile on your face
In the knowledge, that nothing should be taken too seriously...
...Not even you.

And in all of this, through these different stages,
How do we keep that fire burning, that desire?
How do we help *each other*... ...to keep that fire burning?
Indeed, are we all looking at the same fire?

(Pause)

Have you done enough? Learnt enough?
Are your clients *getting enough*?
And what indeed is enough?...
Have you... ...had enough.
Sometimes don't you have to say 'enough is enough'.

(Pause)

To pause, to listen, to check and reflect...
To stay true to yourself and your heritage,
And your peers and OUR values
And maybe even YOUR dreams?

(Pause)

Sometimes to pause tomorrow
Is not enough
Why not... ...Together? Today?
